## SAVES BURLEY SOCIETY

Important Tobacco Decision Rendered By Appellate Court

The Court of Appeals last week rendered a decision in the case of the Burley Tobacco Society against Monroe, from Pendleton county, that is of vital importance to the Burley tobacco growers of Kentucky. Under the pooling contract of 1909 the Burley Tobacco Society claimed the right to sell the tobacco without the approval of the County Boards of Control, and having sold a large part of the crop upon the open market and at different prices, it sought to equalize the prices of the same grade by treating all of the sales as one for the aggregate sums received for the several sales and then dividing out the proceeds accordingly, regardless of the prices received at each separate sale.

The growers denied the right of the Burley Society to sell without the consent of the County Board of Control and also denied its right to equalize the price between the growers.

Some time ago, certain growers of Pendleton county brought a suit to test these questions and won in the lower court, which denied the claims of the Burley Society in toto and not only prohibited it from selling without the consent of the County Board of Control, but required it to account to the growers of each county for the prices actually received for their tobacco.

In an opinion handed down to-day written by Judge Miller, the Court of Appeals reversed the Circuit Court upon both propositions and holds that the Burley Society may sell without the consent of the local County Board of Control and may equalize the price in the manner above indicated.

### Bailey—Williams

Miss Bessie Bailey, who has been visiting in Taylorsville, Ill., surprised her many friends here, by marrying while there. She is the daughter of Mrs. T. Bailey, of Maywood, and is very popular among her many friends in that section. She married Mr. Alfred Williams, of Taylorsville, Ill., a very prominent business man of that city. They will make their home at Taylorsville. They have the best wishes of their many friends for a long and happy union.

### Police Nab Suspicious Pair

Emmett Brown and Joe Proctor, who claimed to be from Rackcastle, were caught slipping behind the home of W. W. Hays Monday night and arrested by Deputy Marshal John Meeks. Mr. Meeks had done some clever shadowing of the pair, and saw that their actions were decidedly suspicious. They had first gone behind the store of George H. Faris, then back of Severance and Son and then back of the postoffice. When Mr. Meeks went after them Proctor went after his gun, and as a result he got a fine of \$25 and costs from Judge Menefee Tuesday morning, while Brown was given 15 minutes in which to get out of town. It didn't take him ten. John Long was fined \$10 for being drunk.

### A Nervous Woman Finds Relief After Many Years

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Daniel Kintner, of Defiance, O., had such an experience, regarding which she says:

"I had stomach trouble when I was eighteen years old that broke down my health, and for years I suffered with nervousness, headache, indigestion and nervous spasms. The spasms got so bad I would have them three or four times a week. After trying nearly every remedy recommended, I began taking Dr. Miles' Nervine, and I must say it helped me wonderfully. I have had no severe nervousness for several years."

MRS. DAN KINTNER, 1902 Pleasant St., Defiance, O.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

## DR. HINITT SPEAKS

### ON CIVIC RIGHTEOUSNESS

Good Crowd Hears Splendid Address By President of C. U.—Resolutions Adopted

A well filled courthouse heard President F. W. Hinitt, of Central University, Danville, deliver a splendid address upon Civic Righteousness at the courthouse Monday afternoon. Dr. Hinitt is a thinker and speaker of power and made a profound impression upon all who heard him. Short talks were also made, afterward by Rev. D. M. Walker, J. J. Diekey and J. B. Jones, R. E. Gaines, P. M. McRoberts, and Mrs. T. M. Goodnight. The following resolutions were offered by Squire W. A. Coffey, of McKinney, and adopted:

#### The Resolutions

Whereas, Civil Government is a divine institution, ordained of God for the happiness and well being of men, and whereas civil officers are called in the Bible "God's ministers, to execute wrath upon him that doeth evil" we conclude that those who seek these positions should be clean, capable and honest, free from immorality, and their characters worthy of the high places to which they aspire. Since civil officers are God's ministers, the courthouse and the capital become as sacred as the church and to put corrupt and conscienceless men into office is to profane these places and thereby give offense to the Mighty Ruler of the universe, and to bring upon ourselves his just and righteous judgment.

Therefore, we the people of Lincoln county of all political parties and religious beliefs, in mass meeting assembled recognizing our responsibility to God and our fellow men, for the proper exercise of the elective franchise, and realizing the great danger to our free institutions by electing bad men to office.

Resolved.—Since the uncorrupted ballot is the palladium of our liberties we view with alarm the increasing number of votes who are willing to barter their franchise. We therefore demand of every candidate who asks our suffrage that he refrain absolutely from the use of money or intoxicating drinks in his effort to obtain a nomination or to be elected to any office.

2.—That the road to preferment should be open to all worthy aspirants and since, under present conditions, it is well nigh impossible for a man to be elected to office without snuffing his character and forfeiting his honor, we are determined to use our best efforts to reverse conditions, and make it impossible for unworthy men to gain these coveted places. In so doing, we will inspire our young men to adopt high ideals and build character, in order that they may enjoy the confidence and receive the support of their fellow citizens.

3.—That our laws against the sale of intoxicating liquors are a boon of untold value in protecting our people from the temptation to drink. We therefore solemnly pledge ourselves to support no man for any office who is not in sympathy with laws, and whose record does not furnish a sufficient guarantee of the sincerity of his professions, and of his pledge to do all in his power to have them enforced against any and all violators of these laws.

5.—That the compulsory primary election law, recently enacted, gives to the voters of Kentucky, and opportunity they have never before enjoyed, of nominating good men for office; we therefore urge every man to go to the polls, having in mind the highest good of his country, and cast his vote for that candidate who is best fitted for the office.

6.—That every newspaper in this judicial and congressional district be requested to publish these resolutions, and that the Secretary of this meeting be instructed to furnish them copies of the same.

4.—That it is the prerogative of the people to say what shall be enacted into law, and that their representatives in the law making bodies of the land are in honor bound to regard their wishes in legislation. It is therefore our duty to demand of candidates what their views are upon great questions that are agitating the country, that we may know whether or not they will represent us when they take their seats in the councils of the state or nation.

### TO CELEBRATE ITS

**30th ANNIVERSARY**

**Hustonville Baptist Church To Hold**  
**Beautiful and Appropriate Services Sunday.**

The Hustonville Baptist church will celebrate its 30th anniversary with beautiful and impressive services next Saturday and Sunday. Rev. J. B. Jones, pastor of the church at Stanford will preach the anniversary sermon Sunday morning. A church social will be held at the College building on Saturday afternoon from three to six, when all of the members are expected to be present and their friends and enjoy a good old-fashioned afternoon of social intercourse.

A beautiful and very appropriate program has been arranged for Sunday. After devotional services, the history of the church will be read and then the anniversary sermon delivered. Features of the evening services will be a roll call of the church and the adoption of resolutions and reading of the church covenant.

Quite a number of Baptists from here and other parts of the county will be present with the Hustonville brethren at these services, as there will be no services here that day. The pastor, Rev. H. F. Surles, is doing a splendid work among the Hustonville congregation, and much interest is felt in this celebration of the long and successful work which it has done in the Master's Vineyard.

### FOR ASSESSOR

**P. C. Sandidge, of the West End Announces His Candidacy**

While in town, shaking hands with his many friends and acquaintances Monday, Porter C. Sandidge announced that he will be a candidate for the democratic nomination for Assessor of Lincoln county, subject to the primary which will be held the first Saturday in August 1913. Mr. Sandidge is one of the best known democrats in the west end of Lincoln, being a popular and prominent farmer of the Milledgeville section. He is a member of a large family, and is the first one of it to ask for office, although all have been strong democratic workers for many years. Mr. Sandidge's friends say that he will make a strong race.

### A VALUABLE SUGGESTION

**Important to Everyone**

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

During the winter months, especially, when we live an outdoor life the kidneys should receive some assistance when needed as we take less exercise, drink less water and often eat more rich heavy food, thereby forcing the kidneys to do more work than Nature intended. Evidence of kidney trouble, such as lame back, inability to hold urine, smarting or low complexion, rheumatism may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

An herbal medicine containing no minerals or opiates has the most healing influence. An ideal herbal compound that has most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root.

You may receive a sample bottle of Swamp-Root by mail, absolutely free. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention the Stanford Interior Journal. For sale by all drug stores.
